

4/19/2024 Division Quad State Conference Minutes

NVC Pat Maguire opened The Meeting at 13:05 using the standard rituals.

Recognition of Dignitaries NJA David Porter, COO Bob Borke, National Chaplain Howar Schaeffer, 60th Chief Devil Dog Allan Sanning, 45th PCDD Bill Taylor, 49th PCDD Doug Fisk, Col. Bill Davis, Young Marines, Young Marines Division 1 Commander Joe Couture.

NVC Pat Maguire announced that this conference was dedicated to Larry Herrmann

Attendance was taken by the Division Adjutant Walt Benson and is attached.

Col Bill Davis gave a presentation for the Young Marines, highlighted by the fact that the Young Marines are now back in Maine. The new detachment has only been in existence for a few months. Her thanked all those who have volunteered and helped in the long road back from recovering from COVID. We are looking to expand the Young Marines with the help of the Marine Corps League, the hope is to add 10 to 13 new units this year.

After the Presentation **NVC Pat Maguire**, presented Col Davis with a check for the Young Marines.

NVC Pat Maguire, also mentioned the passing of General Gray, the 29th Commandant of the Marine Corps.

Division Compliance Officer Bernie Heaney, Gave as report on the standing of the Division in regards to Compliance. Compliance consists of the annual filing of your 990, and your annual incorporation with the state. The entire report is attached to these minutes.

Before adjourning for the day **NVC Pat Maguire**, spoke about communications. Communications has been a theme of the past several meetings and it is an ongoing problem. Whether the word is being passed out to the membership or the membership is not reading it, the problem is ongoing and impedes our ability to excel and succeed. Pat mentioned the Division Newsletter, which belongs to everyone. It is important for others to see what you are doing in your detachment or Department. Yes, we are all struggling since COVID and our numbers are down since then but maybe what you are doing would be the inspiration to motivate someone to come back. Also, the people in the division that are out there working hard should be recognized for their efforts.

NJA David Porter, added his comments that the Newsletter has been going forward for three years and it is seen and read by many people throughout the league. It should be used as an effective tool for the Division

The meeting adjourned to allow for the Department Commandants Meeting

4/20/2024-

7:45 was the assembly time for the memorial service in front of the Hotel.

NVC Pat Maguire, re-convened the meeting a 9:15 am

Recognition of Dignitaries: NJA. David Porter, COO Bob Borka, Asst NVC Mike Hinds, National Chaplain Howard Schaeffer, 60th CDD Alan Sanning, 45th PCDD Bill Taylor, 49th PCDD Doug Fisk, Brian Gillespie, David Albrick, National SR. Vice President of the Auxiliary Dotty Sanning.

Attendance was taken by the Division Adjutant Walt Benson and is attached.

60th CDD Alan Sanning, Reported on the GROWL last night 1073 Big Bones were Raised through games that were played at the Growl 588 Big Bones were raised as the result of a collection taken in honor of Charity Dog Barbara Vanner. **NVC Pat Maguire**, donated the 171 big bones raised at BINGO to the dogs efforts for the Childrens hospital.

NVC Pat Maguire, Presented Cherrie Monnell with the Distinguished Citizen Award Bronze for her work on the Quad State Conference. All Department Commandants were awarded a plaque with the new logo and their names on it in appreciation of their efforts. Jon Swirblia was awarded Distinguished Citizen Award Silver for his work on rucks 2 pucks.

COO Bob Borka, (BOB), Gave a presentation on several key elements, the first being Communications. This consisted of the many methods of communicating with National for ROI's , Transmittals, sending things electronically or by USPS, and the problems with using USPS. ROI's should be sent to National, and the Department.

PLM reports should be sent to National By way of the Department Paymaster. If the Detachment does not have their banking information on file with National there is no way that National will forward their Life Member money to the detachment as it is deposited directly into their account.

DtataBase, National is continuously working to update the database as transmittals come in and they are returned to the Detachments electronically.

NVC Pat Maguire, informed all that Jane the Division Chaplain is not getting death notices from the Departments. These need to be sent to her in a timely manner. The insurance Company for our events is Rust Insurance. The contact person is Sue Pratt, sprak@rustinsurance.com.

Recruitment and getting members to return to being active is one of our prime goals at this time

We need to focus on the **Youth Physical Fitness Program** this is a priority of Commandant Griffin. The first step is to put the liaisons in place to contact the schools we need one for each Detachment, Department and Division.

Scuttlebutt is on Zoom the second Tuesday of each month and they are stored on the you tube channel.

Marine 4 Life LT. Col. Zachary Bennett, Helping Marines Transition from active duty back to civilian Life. One of the key elements to this is networking and social media. On the third Thursday of the month there is a meeting in Boston, where the Col meets with Marines in a social environment to help them get started on the right path. Cody Dumont spoke up about an ice cream event in Concord each month where members of the league try to do something similar.

NVC Pat Maguire, Presented the Col with a division Plaque for his presentation.

Marine Brian Gillespie, Gave a presentation on **RESCU and HAMSAL**

Both of these programs focus on Mental health and wellbeing and Suicide Prevention of Veterans and first Responders. It is a rather long program and there is a PowerPoint presentation of it available in the National Library. It would be a good tool to use at Department Conventions or even a Detachment meeting during the year as there is a lot of useful information included in the presentation.

National Chaplain Howard Schaffer, presented the story of the Four Chaplains and there trip on the Dorchester.

The final Presentation was **from Dr. David Ulbrich from Norwich University, on the Battle of Cuzco Wells Cuba**. The battle took place in 1898 during the Spanish American War. The sinking of the Battleship Maine started the war. Sgt/Maj redirected fire from the USS Dolphin at Cuzco Wells. 300/400 Marines were up against 600/700 Spaniards George Elliott and Wendel Neville, both fought at Cuzco Wells and later became Commandants of the Marine Corps. The Marines lost 300 men in the battle.
