LASKEY'S TELEGRAPH

Newsletter of The New England Division of The Marine Corps League Vol. 5 Issue 4

Message From The Division Commandant

Members,

Get ready for a great few days this June! We're excited to announce that the New England Division Conference will be in Springfield, Massachusetts from June 11th through June 14th. This year is a little different—in a good way. It's our first time not having a Quad State Convention, which means we get to focus on a true Division Conference. It's a great chance for all of us to come together, spend more time with each other, and build stronger connections across the division.

This conference isn't just about meetings—it's about catching up with friends, meeting new people, and enjoying time together. There will be plenty of chances to share ideas, learn from each other, and have some laughs along the way.

We've also got some great activities lined up. You can hit the golf course, check out the NBA Basketball Hall of Fame, take a tour of the Springfield Armory National Historic site, or spend some time at MGM Springfield. Whether you're looking to explore or just relax, there's something for everyone and members are encouraged to bring their significant others and families to enjoy it all. It will be at the Springfield Monarch Sheraton, and room rates are available through May 11th—so be sure to get your room reserved soon. Booking links will be available on the New

England Division website.

You'll also find the agenda and registration

form links on the New England Division website, making it easy to plan your trip and sign up. As has been done over the last few years, the division will also be

holding raffles to help members cover the cost of attending the conference. These may include assistance with transportation, hotel rooms, or banquet tickets.

Make your plans, reserve your room, and join us in Springfield for a great time together. In celebration of America 250, this will be the Conference logo. Shirts will be available.

This is your Newsletter, so anything you think others might be interested in, please share it here. Look at the categories, Departments, Toy for Tots, Devil Dogs, Taps, Birthdays, Sick, Personal writings, Upcoming Events, Help Wanted, History, League and Marine Corps, Awards and Recognition. Community Events, Scholarships, Conventions, Meetings and Grand Growls, and ongoing projects. What are we doing for recruiting? What are we doing for Marines for Life? What can we do to bring back the Auxiliary? Think of some of the programs we have expanded and can you think of any others you want to create or expand? We expanded the Dogs to include donations to provide help to animal shelters, what about other groups? What about donations for women's shelters for women and children of these women? Toys For Tots expanded there program to all low year round help to children in distress. Someone had an idea and this grew from it, you could start your idea here. I am sure there are more topics but this is a good start.

FROM THE EDITOR

A STORY WORTH TELLING

Recently, a letter was sent out from our Commandant, National Marine Corps League, concerning uniforms and what is going on the safety of our members and it was est of all concerned. Since then the letter was rescinded. This letter was and it was my hope that it would never seventies this issue came up then uniform as it could be unsafe. I as a who knew he was invincible obeyed but it bothered me. Now to be asked heartening. No one besides me and how hard I worked to earn that uni-

There has never been one day, not ashamed of that uniform, at times I felt unworthy to wear it but never ashamed. I would never consider giving it up for any price, not even personal safety. This is not being disrespectful but honest to how I feel. Today, having realized that I am not immortal and I have physical limitations I still feel that it would not be in your best interest to get in my face about my uniform and my love for that uniform, being a Marine, and love of Country. You may be able to knock me down but I will always get back up. If my wearing my uniform bothers anyone, then its their problem and not mine, and I don't fix problems anymore. Back during that time period we were spit on chanted against, called baby killers, and more. The words were different but the attitude is the same as today where people target you angrily for serving your country and protecting them.

They call those who fought in WWII the greatest generation, and I would never take that away from them because they earned it. But those of us from the Vietnam Era, I believe are The Toughest Generation. We were spit on, cursed, denied, ignored, but we kept marching forward. Through injuries seen and unseen. Though Cancer, drug addiction and phycological issues we kept moving forward even though we were targeted with hate. Now when people say thank you for your service, you kind of mumble the reply and I know I'm not the only one who has done that I have seen it. So yes we are the Toughest Generation. I read a few of the comments under the posted letter on Face-Book, "I want to put up a bigger Marine Corps Flag" and more, this has been stated by many over the years, that if you go to a neighborhood where Marines live you would think you were on a base

As Marines we are openly proud of who we are. We decorate our cars, our homes, and even our bodies, how many Marines do you know who don't have a Tattoo? No one can ever take that away from us. So uniform or not we will not submit to those who feel threatened by what we represent.

Be safe but Be A Marine.

ARLINGTON HISTORY AND HONOR

Nestled between the monuments, museums, and historical markers of our History, lies a plot of 639 acres, where over 400,000 of our brothers and sisters lie in eternal rest. Where silence replaces the crack of rifle salutes and the music of Taps once filled the air. Now in the silence one can hear the words of Taps. There are no official words of Taps but there are many proposed verses, and these seem to hold meaning. "Sun has set, shadows come, Time has fled, Scouts must go to their beds, Always true to the promise that they made. While the light fades from sight, And the stars gleaming rays softly send, To thy hands we our souls, Lord, commend". This sacred ground holds our History, but more importantly it holds Honor. We honor all that rest here. There are no ranks, no titles, there common bond was that they served their country and for that we honor them. So on this day the Day after our Mid-winter conference, these Marines were honored to lay a wreath at the tomb of the Unknown. The first was postponed as it was to be presented in early February for the four chaplains

Tomb of The Unknown Guard

ARLINGTON HISTORY AND HONOR

The second wreath was laid by the Department of Rhode Island in the afternoon. Most people who have never served have never experienced the feelings we process as we take part in these ceremonies. What we feel as we read the markers walking by. This patch of land made sacred by those who rest here personify History and Honor. Instill respect and gratitude in all that walk upon it. The Flags though silent flutter in the breeze. The crack of the rifle volleys as another is laid to rest. The bugle as it whales its somber tune as it bids us fare thee well, that all is done. The tomb of the Unknown as the sentries walk their post smartly on duty in blistering heat, rain or freezing snow signifying we will never forget what you have done and the sacrifice you've made.

PENTAGON CITY MID-WINTER CONFERENCE

For those that attended this conference, may this serve as some great memories, for those who missed it you missed a really great time, but I hope this trip through the memories helps bring you closer to what you missed out on. There is always a lot of information but what you cannot get from the minutes or the pictures, is the camaraderie. In the years that I have been going I have made so many friends across the country. I look forward to seeing those people all year long. Some I talk to during the year and others I only see then but it doesn't matter because each year I make more. So enjoy this sampling and hopefully I can convince you to join us at a future event. Not every event is across the country some are drivable and just like with family, if you aren't there we talk about you. Not all of you just the ones we want to make fun of, or not.

PDD Mike Francis, Honorable, SR. Vice Chief Devil Dog,

Mike, we really did miss you at Mid-Winter. I know you're hurting but hang in there, you have a lot of prayers coming your way. And we can't wait for you to get back.

As someone who has taken a few of these falls now I offer this advice, don't be thinking of the next cup when you're trying to get rid of the last.

Mike We Miss You,
How Long?

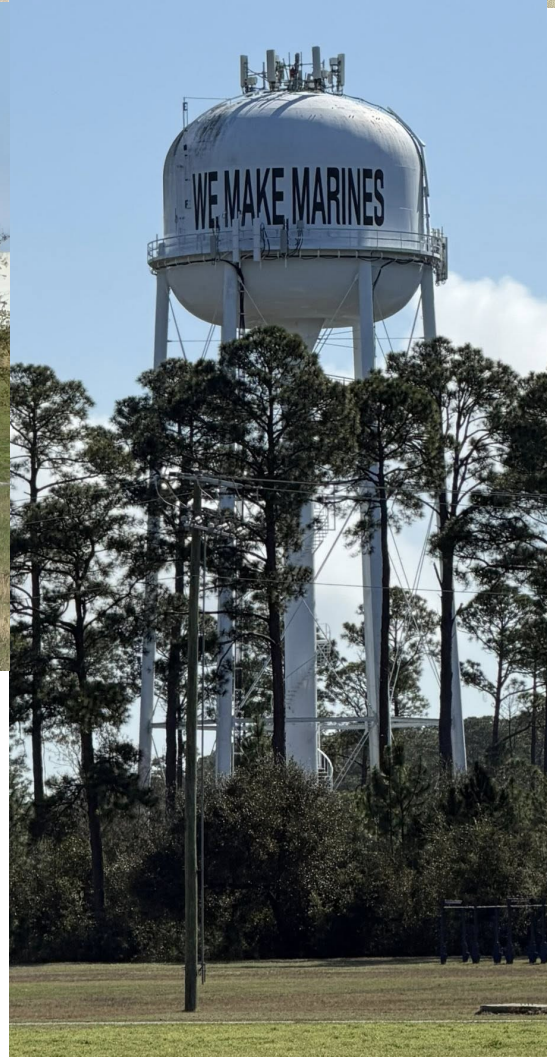

AROUND THE LEAGUE

I don't usually post trips that others take but when someone take a trip that I find interesting and I feel others may as well, I make an exception. Recently while attending the Southeast Division Conference, our Chief Devil Dog, PDD Joe DeAngelo and his wife PDD Barb DeAngelo took a side trip to Parris Island. Depending on the year you were there, depends on how many changes you will see. Now I know I will get a lot of pushback for this but if you graduated basic from that other place in California, your DD214 probably has INC next to basic training. I could be wrong but if I were you I would check.

Above: The Rifle Range, one of the few places you didn't get yelled at.

Right: The water Tower "We Make Marines" , yes you do indeed.

The left photograph shows a bronze statue of Iwo Jima inside a glass case, with a plaque below it dedicated to the Fifth Marine Division. The right photograph shows a woman standing next to a large digital display showing a soldier in uniform, with a dog on a leash nearby.

These photos bring back a lot of memories. I remember marching on the parade deck and thinking some day I would walk across here for graduation. When I was here basic was eight weeks as Vietnam was going on. The Iwo Jima monument was the highlight of the Motivation Platoon trip. I was never in Motivation but they always marched them by the platoons when the day ended and they were covered in mud carrying ammo cans.

The we make Marines sign I don't think it was there but if it was we never were anywhere near it. There are so many changes and I would love to go back and see them all. Some day maybe. I was second Battalion, wooden barracks. Do you think if I go back today I could give them some advice on how it all worked out for me? Just trying to be helpful.

NEW ENGLAND DIVISION VSO WANTED

New England Division Seeking a Veteran Services Officer (VSO) The New England Division is seeking a dedicated Veteran Services Officer (VSO). This vital role is focused on serving and advocating for U.S. Marine Corps Veterans, as well as Veterans of all U.S. Armed Forces, their families, and survivors. The VSO ensures that Veterans and their families receive the Department of Veterans Affairs, state, local government, and non-government benefits to which they are entitled.

Every other Division in the League currently has a VSO, providing essential support to Veterans in their regions. With the leadership of Director Philip Du and the accredited VSOs across the League, countless Veterans and their families are already benefiting from their guidance and expertise. The New England Division is eager to fill this important position and continue expanding the League's mission of service to Veterans. If you are committed to advocating for Veterans and have the dedication to make a meaningful impact in the New England community, we encourage you to begin the process of becoming a VSO.

For more information click on the link below:

Actual Fall

This winter has seemed longer than those in recent memory. It certainly was snowier! But as I write this, it really feels as though "Actual Spring" is right around the corner. I am really looking forward to it.

In my last message, I warned about the risks when shoveling snow. I don't think we have to concern ourselves with that at this point.

Spring lends itself to many other outdoor activities such as golf, gardening, golf, mowing, golf, walking, golf, jogging, golf, hiking, etc. The key to enjoying oneself, especially at the ages of most of us MCLeaguers, is to warm up thoroughly and begin slowly, gradually increasing the level of activity over several days and weeks. So, get out and bask in the warmth of spring, my friends.

How is the MCL Department of Connecticut doing?

Quite well actually. Several Detachments have added new members, which is one of our primary goals: to grow membership. The other half of that goal is to increase participation by current members. Everyone can do something to support the League.

Every Detachment and the Department needs officers. New members can serve in appointed position, even elected positions. I was elected as the Junior Vice Commandant for the Housatonic Detachment mere months after joining the League. I know that is not a path for everyone, but it indicates what positions a "newbie" can fill.

If you can get new members involved at any level, do it! But do not leave them hanging. They will need support, mentoring, as we all do. Being in leadership positions need not be drudgery. There absolutely should be some fun involved. The more you participate, the more you learn. The more you learn, the more value you bring to your meetings, to the whole organization.

YM PFC Brosnan, C, YM PFC Stamper, W, YM PFC Mitchell, C, and YM SgtMaj Steele, M. and BGen Ron Welch DVA Commissioner.

On Sunday afternoon, March 29, 2026, the Young Marines from Natchaug River Unit. Provided a Color Guard at the CT State Vietnam War Memorial in Coventry, CT to honor and remember all the Vietnam War veterans and to salute their patriotism, and to remember the 613 Service Members who did not make it home from the battlefield. The Young Marines take part in many community service projects throughout the State and could serve as a vital part of some of the activities the Marine Corps League conducts. Please consider inviting them to help in those activities as well as inviting them to social events as well.

This April 22 nd, we pause to remember two Marines, Cpl. Jonathan Yale and Lance Cpl. Jordan Haerter, 22 and 20 years old respectively. They stood the watch at the entrance gate of an outpost that contained a makeshift barracks housing 50 Marines and 100 Iraqi police. Notification to Department Chaplain on Deceased Members

The Notice of Death form (NOD) should be completed by the Chaplain and forwarded to the Department Chaplain for deceased members of the Detachment. This form should be completed and transmitted immediately upon notification. In addition to other administrative reasons, deceased members are honored with a memorial service at Department, Division, and National meetings.

Completing the Notice of Death is streamlined by using the fillable electronic version of the NOD. The completed form is easily sent via email to the Department Chaplain and may be stored electronically for Detachment records. Use this link to access the fillable NOD form: [7b36bc_18a2668aaf93411d8eeb639f2d16fc16.pdf](#). Once complete, the following is the sequence for submitting the NOD – using email simplifies the process.

- 1) Detachment Chaplain fills out the form then sends a copy to the Department

Chaplain (pdepaolasr@gmail.com) retaining a copy for detachment records.

- 2) Department Chaplain sends a copy to the Marine Corps League National

Headquarters and the MCL National Chaplain (MCLnationalchaplain@gmail.com) retaining a copy for department records.

- 3) Detachment Paymaster must attach this form when submitting a Notice of Death via Transmittal.

FROM THE WORTHY PACK LEADER

Woof, Woof Dogs,

As we approach our Convention and our Grand Growl, we have some housekeeping issues to address. At the Grand Growl we will need to hold elections for next years officers. That being said all officers that plan to run for election, will need to announce their intention at the May Growl. There are 7 elected positions and we will need to have someone in place for all of them. I would urge you to think about taking one of the elected or appointed positions, what you gain is so much more than what you contribute. The knowledge alone is priceless, not counting the new contacts and friends you will make, and your contribution to the advancement of the Order is something you can be proud of.

We will have a raffle at our Grand Growl. It will be either run by the dogs or it will be combined with the league and we will share in a percentage of that raffle. So please bring an item for the raffle no more than 20 Big Bones.

We have been focused on trying to get back to making these Growls more fun and we have a few things we are discussing. First of all any ideas you have for an activity please share them. We have also discussed having a position for a fun dog, who would be in charge of dispensing fun and he would be called Fun Dog, or Happy Dog, or we will hold a naming contest to name him. I would like to thank PCDD Doug Fisk for providing the entertainment for the past few growls, and I will try yo catch up on the entertainment.

PDD Rich Michaud donated a Bird House to be raffled off and I am trying to set up an online raffle to increase the number of people bidding on it. The house is quite nice and if it were bigger I would move in, Thank you Rich.

Lastly, at the mid-winter Growl, The Kennel has determined we are behind in our efforts to recruit more Dogs to the order. Our new dogs have to come from the larger detachments because most of the smaller detachments do not have many if any new members and they are dogs all be it inactive. I will gladly speak at any detachment Meeting.

Semper Woof,
PDD Walt Benson

NATIONAL VIETNAM WAR VETERANS DAY

On Sunday afternoon, March 29, 2026, veterans and friends gathered at the CT State Vi-

Members from the Vietnam Veterans of America Chapter 270, Norwich, CT, provided the flag detail and the invocation was given by VVA member John Waggoner. The Natchaug River Young Marines from Danielson, CT provided the Color Guard while UConn students from the Rubyfruit A Cappella Choir sang the National Anthem. dier General, U.S. Army (Ret), spoke about our deep appreciation and respect we all have for our Vietnam veterans and how their perseverance in their fight for their rights and benefits paved the way for today's veterans. Following his speech, Coventry High School Junior, Madison Tiberio, played Taps during the wreath laying by American Legion Post 52 members, Len Theroux and Carl Zetterstrom. The ceremony ended with The Vietnam War took the lives of 58,276 U.S. service members. 613 were from Connecticut. 81ST ANNIVERSARY IWO JIMA

On 19th February 2026 the city of Boston held a ceremony commemorating the 81st anniversary of the Battle of Iwo Jima at the State House. The Battle of Iwo Jima was fought from February 19 to March 16, 1945, and it was a pivotal and grueling confrontation in the Pacific Theater of WWII. US Marines faced staunch, Japanese resistance, including ambushes and counterattacks from the island's tunnel network. On February 23, the iconic flag raising on Mount Suribachi symbolized a morale boost but it did not signify the battle's end, as fierce fighting continued for several weeks afterward.

During the span of 36 days, 6,821 Marines were killed and approximately 19,200 were wounded, making it one of the bloodiest battles in Marine Corps history. The operation showcased remarkable military coordination between the Navy, Marine Corps, Army, Coast Guard and supporting forces while highlighting the relentless sacrifice of those involved.

Commandant's Corner

Members and Associates of the Granite State Detachment,

It has been a busy and productive quarter for the detachment as we have attended events, visited the residents at the VA and Veterans Home in Franklin, disbursed major donations to local charities serving Marines and other veterans, (local homeless and suicide programs) as well as individual Marines in need. Our relatively new Disbursement Review Board ensures that our efforts and funds are

balanced and targeted in line with our mission which is primarily to serve other Marines and veterans. We also want to benefit the community in which we live by Toys for Tots, Scouts, Scholarships and school visitation.

I remember when I enlisted in 1967 and asked the recruiter, Sgt. Boatwright, what made the Marine Corps different? I don't recall his exact words, basically that Marines take care of other Marines: they retrieve their dead and wounded from the battlefield and depend on each other to get the mission accomplished. What he said really impressed me and little did I realize how profoundly and profusely it would play out in my life!

Always Faithful is a commitment to our brother and sister Marines that doesn't end with being discharged from the Corps. It requires people of differing backgrounds and viewpoints (some very stubborn and resolved as Marines may tend to be!) working together with patience, endurance, and ingenuity to unify by training, preparation and unified principles to accomplish a common goal. This is often challenging, sometimes fun, but always rewarding, as we see what the detachment can corporately do with the abundance of skills and talent we have.

Sr. Vice Commandant's Message

Marines!

I recently had the opportunity to attend the Marine Corps League Mid-Winter Conference in Arlington, VA. Some highlights of this conference included a tour of the Marine Corps Museum in Quantico, VA. If you ever get a chance to visit the museum, it is well worth the trip. The static displays are realistic and show the history of our Marine Corps from 1775 to 2026. The museum takes approximately 2 hours to see all the displays and videos.

During the conference, several awards were given out, and one of the awards that interested me, and possibly the detachment of members, was the marksmanship award, both pistol and rifle. During our last detachment meeting, I suggested going to the shooting range in Manchester, possibly after our Funday Breakfast, to practice shooting and possibly qualify for some of these awards, or just have some fun competing against each other. I hope to do this in May of this year. More information to come.

Also, during the conference it was announced that the building that the Marine Shop is currently located in Quantico, VA has been sold to the Marine Corps League and within the next 12 months the Marine Corps League Headquarters will be relocated to the that building and the Marine Shop will be relocating and all uniform sales will be handled by the Marine Corps Exchange in Quantico, Va. The question raised is how Marines without Marine Corps Exchange privileges will be able to purchase uniforms. They are currently working with the Marine Corps Exchange to determine whether there are exceptions.

If you ever have a chance to attend a Marine Corps League Conference, you'll find plenty of information and camaraderie.

Paymaster's Message

Financial Update: First Quarter 2026

During the first quarter of 2026, I am pleased to report that GSD #542's finances remain strong. This financial stability enables the GSD to continue making donations to Veterans' and community organizations as we progress into the second quarter of 2026.

Charitable Donations Presented at January Meeting

During the first membership meeting of the year, held in January, GSD #542 had the privilege of presenting donation checks totaling \$1,000 each to guest attendees representing Veterans organizations. The honored recipients included representatives from Harbor Care, Hometown Hero Outdoors and Hidden Battles. Additionally, a donation of \$1,500 was approved by members for "A Marine in Need," who underwent a serious cancer operation. These contributions underscore GSD #542's ongoing commitment to supporting organizations that serve Veterans, strengthen the community, and assist fellow Marines in times of need.

2026 Charity Gaming Partnership with Revo Casino

GSD #542 has scheduled its 2026 Charity Gaming partnership with Revo Casino in Lebanon, NH to take place from May 11 through May 20, 2026. During this ten-day period, specific dates will be identified when Detachment members are needed to volunteer and staff the welcome table at the casino venue. Participation from members is essential to the success of this charitable initiative. The proceeds raised from the gaming partnership will directly support GSD #542's ongoing mission: providing donations to a variety of Veterans' organizations and community charities in the greater Manchester, NH area. By engaging in this effort, GSD #542 continues its commitment to making a positive difference for local Veterans and the broader community.

Looking Ahead

As I reflect on the successes achieved by the Detachment in the first quarter and as I anticipate the opportunities ahead, I am enthusiastic about continuing to serve as Paymaster for the Detachment throughout the coming year. My ongoing commitment is to maintain the financial health of GSD #542, ensuring that our resources are managed responsibly and transparently. I am dedicated to supporting our charitable initiatives and to facilitating the important work we do for Veterans and our community. Together, I am confident that we will build upon our achievements and make a meaningful impact in 2026.

Respectfully submitted,
Marge Romano

ADVANCEMENT TIME

Hello Dogs Woof Woof;

We are rapidly approaching the time to advance, are you ready? When I went through this there was a lot of stories that made me quite a bit apprehensive. When I completed it I was really grateful for the experience. I learned a lot about the dogs as well as the league. And no one in my group had to belly crawl through the sand in wet dress blues. The bones that you will save on reporting is well worth any inconvenience. So if you are ready see the dog robber now to register and if not next year we will be close as we are going to buffalo. Woof, Woof.

I hope everyone is looking for games or activities for the Growls. We have started having meetings instead of Growls which are fun versus boring. We have also come to the time of year when we will hold our Grand Growl and Supreme Growl. We will have elections at both events. If you are running for office you should be announcing at your next growl your intentions. At the Supreme Growl we will be voting on bylaw changes these proposed changes are listed on the Kennel web site so that you can read them before the Supreme Growl.

This year the Growl at The New England Division conference will be run by the Dept. of Massachusetts, bring a lot of bones, you

will need them. I have no details on the Conference or Growl as of yet so look for them coming soon.

Lastly, to our Honorable SR Vice Chief Devil Dog, Mike Francis, get well and come back soon.

NEW ENGLAND DIVISION

Hello to the members of the New England Division and their families. I am honored to have been asked to once again present HAMSAL (Help A Marine, Save A Life) to your membership at the Division Conference in June. I last presented to your Division 2 years ago and have since added more pertinent information as well as resources. For those of you who do not know about HAMSAL, it was created when New England Division member, Past National Commandant Warren Griffin wanted to do more for our membership and their families regarding mental health and wellness. So, this is when HAMSAL was created. HAMSAL centers around taking care of yourself, as well as taking care of each other, suicide awareness and prevention, mental health and substance use, as well as my journey.

I have attended many Division Conferences upon request and presented the HAMSAL PowerPoint to talk about the things that we don't talk about enough. What's that you say, you don't like talking about these uncomfortable topics? Well, I am here to tell you that those days are gone. We are our brothers and sisters keeper, whether you know it or it like it. As leaders in our communities, we must do this together, we cannot do this alone.

As a retired Police Officer and Marine Corps veteran in recovery, I understand about suffering in silence and fighting that stigma, especially within our community. Now I stand tall and recover loudly and help others with their mental health and substance use. Please feel free to reach out to me at any time and contact me at shoremarines@gmail.com and 732-921-7411. I hope to see you in June, make sure you come up and introduce yourself to me. Semper Fi!

WOUNDED WARRIOR REGIMENT

WWR Fact Sheet

District Injured Support Coordinators & Field Support Representatives

District Injured Support Coordinators (DISCs) and Field Support Representatives (FSRs) are an integral part of the Wounded Warrior Regiment's (WWR) support structure. They act as a conduit to Marine Corps, Veterans Affairs (VA), and civilian resources for Marines recovering away from a military installation or transitioning to veteran status. DISCs are Marine reservists and FSRs are contract support geographically dispersed to provide assistance and community liaison where needed.

The goal of DISCs and FSRs is to return well adjusted wounded, ill, or injured (WII) Marine veterans to their communities with the knowledge and skills to self-advocate and assist other WII Marines.

What Services do DISCs and FSRs offer?

- Outreach through calls or face-to-face contact with WII Marines and their families requiring assistance.
- Assistance with accessing VA and community resources.
- Facilitate veteran medical care through VA patient advocates or OIF/OEF Coordinators.
- Information on family and caregiver support services (i.e. respite care, scholarship opportunities, counseling support).
- Access to education and employment resources in their local communities (i.e. resume development, interview skills, network/employment opportunities, and application completion).
- Support in working with representatives from medical facilities, the VA, legal authorities, businesses, and non-profit organizations.
- Immediate access to the WWR's medical section and VA for psychological health resources and support, including referrals to local resources to ensure WII Marines receive timely and appropriate care.

Who They Support

- Marines transitioning to veteran status
- Reserve Marines
- Marines recovering in remote locations away from military or federal resources
- TDRL/PDRL Marines

Where They are Located

"I cast my words upon the wind, of things I wish to tell my friends"

On this page we will publish the works of Marines who have written novels or poetry that they wish to share either in segments here or a short description and information to purchase the book. We welcome the works of all members. Not all work will appeal to all members but your work will appeal to a member.

Major General James E. Livingston received the Congressional Medal of Honor for his role as an infantry company commander at Dai Do, Vietnam, during a three-day grinding battle of attrition in which the 2nd Battalion, 4th Marine Regiment, numbering only 800 men, victoriously battled 10,000 or more NVA. His remarkable life and career is recounted in a book that has it all: exciting first-person eyewitness account of historic battle; the history of the development of tactics and strategies used in today's war on terror; and a compelling story of leadership in action and individual courage in combat.

Walk With Me

Walk with me my brother and see the land we served,
The Stars and Stripes fly high above but not for all
deserved.
We fail our veterans everyday not giving what there due,
And seniors shortchanged every year so others get what's
due.
We are a land of immigrants who came here from afar,
And as each group did settle here, they learned and fol
lowed law.
They learned and spoke our language and worked for all
their needs,
Unlike those who come today, and expect for all their
needs.

They stood for our Flag each day and pledged allegiance
too,
They fought and died, side by side, Irish, German, Jew.
The only color or race we saw was the one of red white
and blue,
Today they come and do not stand nor give our flag it's
due.
Instead they burn our flag in hate, of everything we are,
They stand on it, bringing us to tears as they desecrate
our soul.
With no respect, but just contempt, they demand what
isn't there's,
To this I say go far from here we defend our flag from
you.

HUMOR AROUND THE DIVISION

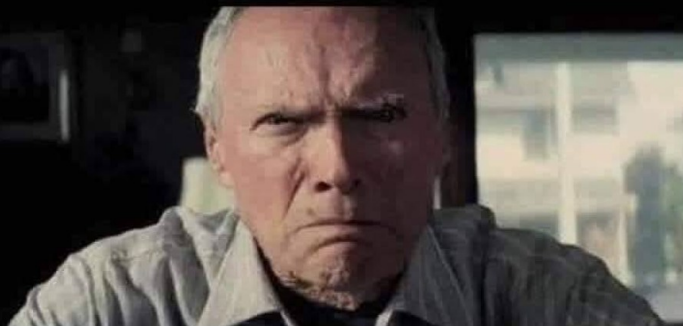

Recently a female friend asked me who did I think was stronger a man or a woman. I said definitely a woman, She asked why do you say that? I said it takes 6 men to carry a man to his grave but only one woman to put him there.

I GOT ZERO WHAT DID YOU GET

Dear Members of the Marine Corps Association and Valued Customers of The Marine Shop,

I am writing to share an important update regarding the future of The Marine Shop, the retail arm of our association, and to do so directly and with the respect you deserve. After careful deliberation, MCA has made the decision to transition The Marine Shop's uniform business to Marine Corps Community Services (MCCS). This transition will occur deliberately, with continuity, quality and customer service as our guiding principles. This decision was not made lightly.

The retail operating environment has changed. Ensuring a secure and reliable uniform supply—one that meets the needs of Marines today and into the future—has become increasingly complex for retailers. Manufacturing pressures and the continued decline of domestic production now require scale, infrastructure and logistics depth to manage effectively. MCCS is uniquely positioned to meet those demands.

As the Marine Corps' enterprise retail and services organization, MCCS brings the sourcing capability, systems and retail knowledge necessary to sustain uniform availability, quality control and pricing stability over time. In my judgment, this transition is the most responsible way to ensure Marines continue to receive the uniforms they require—when and where they need them—without disruption.

The Marine Shop team has earned its reputation through professionalism, attention to detail and a deep understanding of what Marines expect. We are working closely with MCCS to ensure those standards carry forward. The experience customers associate with The Marine Shop—knowledgeable support, quality of our products, and respect for the customer—will

As we are transitioning our uniform products and services to MCCS, I am pleased to announce that we will continue to offer mission-aligned retail products that focus on preserving our heritage, professional development and Marine Corps lifestyle. In the coming month, MCA is launching The Marine Corps Association—**The Book Store**, as an **e-commerce-only platform**.

Through this online store, MCA will continue to offer carefully curated non-uniform apparel, books, historical works and heritage-focused merchandise that reflect the legacy and values of the Marine Corps. You can view the website at www.thebookstore1775.com or the button below.

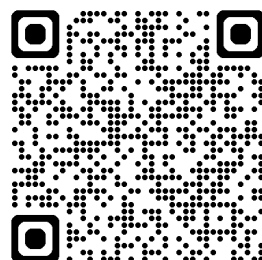

As CEO, it is my responsibility to ensure decisions remain sound not only today, but years from now. I firmly believe this transition does exactly that. Thank you for your trust and continued support of the Marine Corps Association. We will continue to communicate as this transition progresses.

DIVISION SPOTLIGHT

In each Issue I would like to focus on Marines that are bringing their A GAME to the Division and our mission. I would ask that Detachment and Department Commandants, as well as Pack Leaders send in their choices of Members and Dogs who deserve recognition for the work they do and the contributions they make to our success. You should describe their contributions and why they are being recognized , since you know them the best.

This definitely a story worth a spotlight and probably a lot more. On April 11th, the Navy will commission USS Harvey C. Barnum Jr., DDG 124. Named after, Medal Of Honor Recipient Marine Corps Col. Harvey Curtiss “Barney” Barnum Jr, Retired. Barney Barnum is a member of the Marine Corps League, Silver City Detachment. If you attend the Semper Fi luncheon in Boston on our Birthday he is usually in attendance.

The ship will be called the USS Harvey C. Barnum Jr., named after, U.S. Marine Corps Col. Harvey Curtiss “Barney” Barnum Jr, according to a statement, honoring “Barnum’s gallantry and intrepidity at the risk of his life beyond the call of duty during the Vietnam War.” The ship will be commissioned in April. “On Dec. 18, 1965, then-1st Lt. Barnum assumed command of his company after the commander was mortally wounded,” according to a statement. “With two armed helicopters under his control, he moved fearlessly through deadly fire to lead air attacks against the enemy’s well-entrenched positions while directing one platoon in a successful counterattack on key positions. Having cleared a small area, he requested and directed the landing of two transport helicopters to evacuate the deceased and wounded. He then assisted in seizing the battalion’s objective. He is among the few living namesakes to witness his ship’s commissioning.”

“The sponsor of DDG 124 is Barnum’s wife, Martha Hill,” the statement went on to say. “Since the ship’s keel laying ceremony in 2021, Barnum and Hill have maintained a close relationship with the crew. In keeping with Navy tradition, she will give the order during commissioning to and bring her moment, the the commissionant, and C. Barnum Jr. warship and fleet.”

and the be able to participate in those events. These events could line up with many of the projects we are involved in such as Toys For Tots, and Holiday parades and events. You may be able to participate in many of them. It is a way to promote the league secure new members . I have used the Chamber before and it was very beneficial to the business I was in.

A while back I came across a department that was using their interaction with the schools in the area this could help you gain access to that venue. What they did was supply a color guard for the school and would be involved in the coin toss using a challenge coin. The two coaches and referees would get a coin and a MCL representative would talk over the loudspeaker that the MCL was sponsoring the Game with its color guard and some information on the league. Good Job Thames River !! Semper Fi

The Marine Corps League is more than just an organization—it's a family of Marines and Marine supporters dedicated to giving back.

Our purpose is far-reaching and includes a variety of initiatives designed to support those who served, their loved ones, and the communities that help shape our nation.

The Marine Corps League's presence is felt in local communities through numerous service projects. From organizing patriotic events like parades and flag ceremonies to leading charity efforts such as food drives, toy collections, and disaster relief programs, MCL members are committed to making a positive impact on society. These activities help preserve the bond between Marines and the communities they serve, while also instilling a sense of pride and unity in the next generation of Americans.

HELP WANTED

Each edition I will list any job a Department has that is open. We need to encourage Marines to step up and fill these positions. Many people think that those of us that hold positions have some special skills that allow us to do these things we do but that is not true. We are all here because we feel we have more to offer and more to do. We appreciate that you come to the meetings but think how much more you could help by stepping up. I think by now I have heard just about every excuse to why people can't do things but you can and that is a conversation you need to have with yourself. No one ever joined the Marine Corps because they thought there were easy no stress jobs here. There are jobs listed here that if not filled would prevent a Department from functioning.

Department of CT– Is seeking an Americanism Chair. Your duties would include overseeing the Departments participation and entries into the Americanism program.

Department of CT– Is seeking a VAVS NORTH and VAVS SOUTH. These position have been open for a while there are training videos available on the National Website.

Department of CT– Is seeking a Boy Scout Liaison

Department of CT– Is seeking a Youth Physical Fitness liaison to make contact with schools to set up the program and help out wherever needed.

Department of CT– Is seeking a Historian

New England Division– is seeking a Historian, who will take over keeping the history and accomplishments of the Division.

New England Division– is seeking a Legal Advisor and for this position you would need skills to advise the Division on all legal matters.

New England Division– is seeking a Auxiliary Liaison . This position needs to be filled by a strong individual who would basically bring the Auxiliary back to life. You would need good communication skills as well as drive and ambition.

New England Division– is seeking a seeking a Youth Physical Fitness liaison to make contact with schools to set up the program and help out wherever needed.

Regardless of the situation, the Marine Corps has an answer for almost everything.

A Marines Prayer

Almighty Father, whose command is over all and whose love never fails, make me aware of Thy presence and obedient to Thy will. Keep me true to my best self, guarding me against dishonesty in purpose and deed and helping me to live so that I can face my fellow Marines, my loved ones, and Thee without shame or fear. Protect my family.

Give me the will to do the work of a Marine and to accept my share of responsibilities with vigor and enthusiasm. Grant me the courage to be proficient in my daily performance. Keep me loyal and faithful to my superiors and to the duties my Country and

WORD OF THE DAY

Over the centuries, certain Latin phrases have been used widely enough in English to get included in the dictionary. This is one of the favorites:

Semper Fidelis

sem-per fi-dey-lis;

"Always faithful"

These two words have long served as motto for families, schools, and organizations – most famously, since 1883, for the United States Marine Corps.

EXAMPLE:

He will receive the Semper Fidelis Award for his support of the Marine Corps University Foundation.

the Marine Corps have entrusted to me. Help me to wear my uniform with dignity, and let it remind me daily of the traditions which I must uphold.

If I am inclined to doubt, steady my faith; if I am tempted, make me strong to resist; if I should miss the mark, give me courage to try again.

Guide me with the light of truth and grant me wisdom by which I may understand the answer to my prayer. Amen
